16) I have seen the report of the Chief Conservator of Forests.

17) As I have made clear in my minute of 30th July 1964, Shri Siddappa Kadappa Hiremarad of Nagawand is an old man aged over 70 years who has sacrificed good great deal for the Nation. He has a great desire for starting an Ashram in Sy.No.174 with a view to propagate the ideals of Bhoodan Movement. He wants to see that the wishes of Acharya Vinobaji are translated into action in his life time. The object being very noble, it is but fair that Government should not hesitate to grant this small piece of land for the said purpose.

18) As could be seen from the report of D.F.O., Dharwar Division and also that of the Conservator of Forests, Belgaum Division, the area asked for does not contain any tree growth worth the name and does not yield any revenue to Government. Moreover, this particular piece of land is selected for the Ashram because of its location and natural surroundings. Such being the case, no useful purpose would be

served by asking the Revenue Department to allot some other waste land for the purpose.

(19) In the circumstances, the Hon'ble Minister for Forests will please consider and pass orders allotting the land in Sy.No.174 measuring 6 acres free of cost for the purpose of starting an Ashram as per the wishes of the Bhoodan Leader Acharya Vinobaji.

Ref: Your No. AFD 80 FGN 64 dated 25-8-1964.

I enclose herewith a copy of letter No.FOP/GFL/DWR/
680/16/64-65 dated 25-1-1965 from the Conservator of
Forests, Belgaum along with its accompaniments for perusal.

In this case Shri Siddappa Kadappa Hiremarad of Nagwand
has applied for 5-6 acres of land out of F.Sy.No.174 of
Nagwand, Taluka Hirekerur for starting an Ashram. The
area lies in coupe No. 13 and 14 of Block XV of Hirekerur
Range and adjoining malki Sy Nos. on one side and remaining
3 sides by Forest. The grant of this land creates awkward
Forest boundary. Moreover the land asked for is for non-
agriculture purpose and the applicant can apply to the
Revenue Department for grant of any Revenue Waste land.

I am therefore not inclined to recommend the request
of the applicant for the grant of the land.

In case Government decides to concede him these 5 to 6
acres then a rental of Rs. 80/- per acre per year as charged
to others is to be recovered.

Yours faithfully,

Chief Conservator of Forests.

The Divisional Forest Officer, Dharwar has recommended to grant an area of 5 - 6 acres for the Ashram on recovery of Rs.2/- as rental per acre per year as "inforest settlement plot" subject to other conditions. Sir,

Refs:- Your No. FOP/GFL/DWR/680-16 of 64-65
dated 29-9-1964.

In submitting herewith the application of Shri. Siddappa Kadappa Hiremarad of Nagawand requesting for grant of Forest area about 5-6 acres out of Forest Sy.No. 174 of Nagawand for starting an Ashrama I have to report as under:-

The applicant has stated in his application that on one evening in December, 1957 Shri. Vinoba Bhave had climbed a hillock just by the side of the village and had expressed a desire that the place is very well suited for an Ashrama in view of the special natural advantages available. The applicant was also present at that time. It is said that this gentleman is an old Congress-man who took to Bhooden work and of late to Sarvodaya work. He desires that wishes of Shri. Vinobaji are translated into action so he needs a small bit of land at the foot of hillock to the extent of about 5 to 6 acres in Forest Sy.No. 174 of Nagawand.

The area now applied for by the applicant is a strip out of coupes 13 and 16 from Block XV. The applied area touches the Malky Sy.No. 167 and 172 and a tank on one side and three sides the Forest area is surrounded. The area in question contains no tree-growth yielding any firewood except Tarwad and Muttal bushes. But twigs which are standing in the area will fetch about 2/- . The applied area is ~~that flat~~ ~~having~~ having gentle slope. There is also a tank just by the side of the applied area.

The Parliamentary secretary to the Minister for Public Works, Bangalore has also expressed that the land which is asked for is laudable and also results in the wishes of Shri. Vinobaji being fulfilled and recommended to release the area for setting up an Ashrama.

Under the circumstances explained above I recommended that an area of about 5-6 acres out of Forest Sy.No. 174 of Nagawand for starting an Ashram on in-Forest Settlement lease base on the following conditions.

1. The lessee should pay the rent @ 2/- per acre or fraction thereof per year.
 2. The lessee will have no claim over the area granted to him and the ownership of the area remains with the Forest Department.
 3. The lessee will enter into an agreement with which the lessee shall abide for all purposes.
- The sketch of the ^{area} applied for & the original application are enclosed herewith.
